

Congress 2011—Moline, IL

Tina, Judy, Patt & Linda about to board  
The Celebration Belle to cruise the  
Mississippi River

Is that Captain Jack?  
Nope, just HPG Carol Seales!

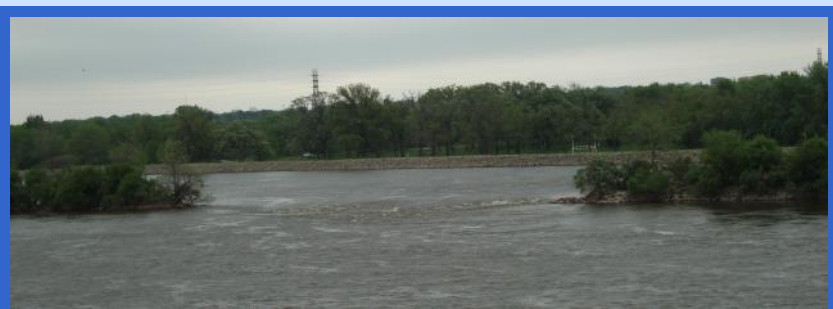

Tugging down the river!

Zooming in on Rock Island where  
this house built in 1833 is located.

Water tower behind says  
“Rock Island Arsenal”

A river runs through it, no wait that’s a movie!  
The mighty Mississippi is high but didn’t stop our fun.
